Any Business That Needs More People To See It

If customers need to find you, Pocket is for you.

01

LOCAL BUSINESSES

Cafés, salons, shops, gyms, clinics

02

PROFESSIONALS

Doctors, consultants, agents, trainers

03

GROWING BUSINESSES

Home businesses, online sellers, new brands

YOUR BUSINESS DOES NOT NEED TO BE BIG. IT JUST NEEDS TO BE SEEN.

POCKET MEDIA CO.

Three Simple Steps

1

Complete the Social Media Foundation

We understand your business, review the existing account, establish the communication and content direction, and optimise the Instagram setup.

2

Confirm the Right Monthly Plan

Based on the approved direction, content volume and production requirements, we recommend the most suitable monthly plan for your business.

3

Begin Monthly Execution

We plan, create, review, publish and manage your content consistently each month.

Simple, easy and affordable.

One monthly plan. One clear point of contact. One less thing to manage.

POCKET MEDIA CO.

Every new Pocket engagement begins with a one-time Social Media Foundation

Business & Account Review

A one-to-one working session to understand your business, audience, offerings and priorities, followed by a review of the existing account.

Instagram Profile & Account Optimisation

We implement the approved bio, call-to-action, links, highlights, discoverability, FAQs, Meta integration and secure account access.

Visual & Content Direction

We establish the visual mood and curate references for design, photography, reels and content formats.

Communication & Content Foundation

We define the account positioning, core message, tone, content pillars and first-month communication priorities.

Before we create content, we define what your account needs to communicate.

Your engagement begins with a one-time Social Media Foundation at ₹15,000 + GST, followed by the monthly plan best suited to your business.

Here is what a simple month with Pocket looks like

01 — Tell us about your business

Share what you offer, who you serve, and how customers reach you.

02 — Tell us what matters this month

Your offers, updates, launches, events, or priorities.

03 — We build your social media plan

We map out what to post, what to shoot, and what to promote.

04 — We align and review it together

We review the plan together. Once you're happy, we start creating.

05 — We create your content

We create your posts, Reels, Stories, visuals, and captions.

06 — Your business stays visible

Your content goes out consistently, keeping your business visible all month.

You run the business. Pocket makes sure your customers keep seeing it.
